

CHRISTIAN WOMEN'S CENTER 2022 ANNUAL REPORT SNAPSHOT

EXECUTIVE NOTE

2022 was a wonderful year! Our mission is to serve our community by being a place of refuge for women seeking freedom from their drug and alcohol addiction. Throughout the year, we hosted 6 graduations for women who completed all requirements of our program. These are 6 lives saturated with the gospel for a year and sent out with the tools and knowledge to live a new life! At the end of 2022, we had 9 ladies on track to graduate.

At our 2022 gala, we designated all funds to the much needed repairs of our main residence and transitional housing. I am happy to report that our transitional housing has a new roof and new paint inside and out. Our main residence also received some fresh paint in addition to plumbing and electrical repairs. We are planning a complete landscaping refresh as well. It is because of the huge generosity of our donors and friends that we are able to maintain our program as well as our facilities and grounds. The Christian Women's Center belongs to this community and this community takes special care of us.

With overwhelming gratitude,
Lesley McMichael
Executive Director

BY THE NUMBERS.....

One common misperception concerning the CWC is that the Thrift Stores entirely fund the ministry, but the truth is, the stores fund only about 40% of overall costs. Operating a retail business is costly. We greatly depend on the revenue from 2 major fundraisers each year (Annual Gala and Golf Tournament).

GET INVOLVED

If you or your group would like to partner with the CWC to give, volunteer, or offer a service, please contact Lesley McMichael or Autumn Millett at (770) 227-3700. We will be happy to talk with you about ways you can help. You might be surprised at what you have to offer. We are always in need of partnering doctors, churches, and businesses. We keep a current list of food and pantry needs on our website.
